ONLINE MASTER OF SCIENCE IN
NURSING CLINICAL SYSTEMS LEADERSHIP
FROM CAREGIVER TO TRAILBLAZER

THE UNIVERSITY OF ARIZONA
College of Nursing
THE FUTURE OF HEALTH CARE IS IN YOUR HANDS

This innovative degree program is designed for working nurses seeking to advance their careers in pivotal leadership roles. Through our online Master of Science in Nursing Clinical Systems Leadership program, you will discover how to strategically influence care environments and direct high-level decisions.

YOUR PATIENTS DESERVE THE BEST. SO DO YOU.

CONVENIENCE

- Earn your MSN degree in less time than many traditional nursing programs
- Nurses with BSNs can complete the program in as few as 15 months, ADNs in as few as 24 months

QUALITY

- Accredited by the Commission on Collegiate Nursing Education (CCNE)
- Renowned university faculty of nursing leaders and experts

FLEXIBILITY

- Courses delivered 100% online
- No on-campus residencies or onsite clinical requirements

APPLY YOUR NEW SKILLS IN THE REAL WORLD

During your 15-week Clinical Systems Leadership Immersion, you will work with a faculty mentor to develop a comprehensive care management plan for a clinical population utilizing patient-centered leadership concepts.

For more information about the University of Arizona online MSN program, visit our website at msonline.arizona.edu, or contact an enrollment advisor at 1-855-789-7046 or admissions@msonline.arizona.edu.
INSPIRED LEADERSHIP STARTS AT DIFFERENT STAGES

We know you’re busy and convenience is important. Our online Master of Science in Nursing Clinical Systems Leadership program helps nurses with different education and experience levels advance their leadership skills. There are no residencies or campus visits required, and you can choose from three start times per year – January, May and September.

ADN TO MSN
Practicing RNs with an ADN can skip the bachelor’s degree and complete the MSN program in as few as 24 months.

BSN TO MSN
If you’re a nurse who already has a bachelor’s degree, you can earn your master’s degree in as few as 15 months.

Total Credit Hours

44 Credits*                              31 Credits*

*For students who have not completed a college-level statistics course in the past five years, a 3-credit-hour statistics course is required. Students can take this course online at the beginning of the program and graduate with 47 credits (ADN track) or 34 credits (BSN track).

For more information about the University of Arizona online MSN program, visit our website at msonline.arizona.edu, or contact an enrollment advisor at 1-855-789-7046 or admissions@msonline.arizona.edu.
TO BE ELIGIBLE FOR THIS PROGRAM, STUDENTS MUST:

- Hold a current unencumbered license as an RN in the state in which you currently practice.
  
  Note: an “unencumbered license” means neither the license, the licensee’s practice nor the licensee is associated with any type of restriction, encumbrance or probationary limitations imposed by the applicable Board of Nursing or any judicial entity. A copy of the RN license must be submitted at the time of application.

- Have earned an associate or bachelor’s degree in nursing from a regionally accredited institution of higher learning, such as the Accreditation Commission for Education in Nursing (ACEN) — formerly known as the National League for Nursing (NLN) — with a 3.0 GPA or higher (based upon a 4.0 scale). The ADN-MSN track GPA calculation is based on the last 30 credits of your associate program; the BSN-MSN track GPA calculation is based on the last 60 credits of your bachelor’s degree program.

- Satisfy the minimum clinical work experience requirement. ADN nurses must have the equivalent of two full years of work experience as an RN within the past five years; BSN nurses must have at least one full year of RN work experience within the past five years.

- Submit the following application materials:
  - Official transcripts from all colleges or universities attended
  - Copy of current unrestricted/unencumbered RN license

  Note: Prior to enrollment in the program, submission of proof of “Lawful Presence” (in compliance with Proposition 300) will be required. For more information, please contact the Registrar’s Office at 520-621-3113 or REG-reghelp@email.arizona.edu.

ACCREDITATIONS

- Approved by the Arizona State Board of Nursing
- Accredited by the Commission on Collegiate Nursing Education
- Member of the Western Institute of Nursing
- Member of the American Association of Colleges of Nursing

RANKINGS

The University of Arizona is one of the nation’s premier public research universities.

U.S. News & World Report ranked the UA College of Nursing #23 among the Best Online Graduate Nursing Programs for 2016, and it is the highest ranked online graduate nursing program in Arizona.

The Princeton Review lists the University of Arizona as one of the best colleges in the Western region.
